

## Trolley, fixed installation

### **062.1720** Trolley, fixed installation, for flat panels max. 65 inch, 60 kg (mounting system 170 x 140 mm)

This non-divisible trolley is suitable for permanent installation. The screen can be fixed over the full height of the column and can be secured against theft by means of a padlock. The stand has three cable ducts to conceal all cables neatly.

Select a suitable monitor bracket with 170x140mm mounting based on the weight and mounting pattern of the monitor to attach the monitor to the stand.

Do you want to mount multiple screens? Then order an additional mounting head (item no. 063.0820) and monitor bracket.
